

In these special times, we have made
HEALTH SAFETY
OUR PRIORITY
For our Guests and our Team

HOTEL

- Hygiaphone installed at the reception of the hotel
- Disinfection of room keys at each delivery/pick-up at reception: you will be recommended to keep the key with you during your stay
- Installation of hydro-alcoholic gel dispensers at the reception and on each floor, in the corridors near the elevators
- Corridors with a width of 2.20 m allowing the desired and requested distance during circulation in the hotel
- Cleaning with particular care of door handles, switches, taps, remote controls and any accessory that may have been in contact with hands
- Ventilated rooms, cleaned and disinfected according to reinforced protocols
- Removal of non-essential items from rooms: flyers, pens, cushions and decorative bed covers ...
- Minibars will have to remain empty
- **Daily cleaning service only on request** to avoid any interaction during the stay, but change of towels and restocking of welcome products
- Suppression of the laundry service for guests
- Maids equipped with mask and visors. Single-use gloves and apron renewed between each room.

BREAKFAST & RESTAURANT

- Breakfast will still be presented as a Buffet, but will be served individually by our team. Then, you will be able to sit in our 80 m² restaurant room and / or on our 260 m² terrace in the park, **areas that allow us a significantly distance between each table.**
- Single-use paper table mats and napkins, single-use tableware and cutlery made from sugar cane fibers/wood
- Our team will be equipped with mask, visors and gloves during the service.
- Blackboard restaurant menu to avoid card manipulation
- Order preparation in the kitchen and immediate table service
- Clearing tables and cleaning, with disinfectant between each guest
- Armchair cleaning with disinfectant between each guest
- Reinforced Hygiene protocol for kitchen deliveries, Staff equipped with toques, masks and gloves

SWIMMING POOL AREA :

- **Reinforced bathing water control**
- **The mattress of the sunbeds must be removed, we recommend you to bring your personal bath towels**
- The number of sunbeds available will be limited given the distance that need to be respected
- Your sunbeds must be vacated when you leave the pool area. Your bath towels should not be left on the sunbeds for later use.

These arrangements will allow all of our customers to be able to take advantage of our facilities.

We wish, above all, to remain permanently at your disposal to answer to your questions, expectations or needs.
Because we do our best to anticipate everything, the important thing is to remain attentive and listening to you

Let's take care of us together !
